Portsmouth's Community Gardens Open Day

Saturday 1st July marks the celebration of Portsmouth's community gardens and urban green spaces.

Many of our community gardens are inviting local residents to drop in to see what's going on, how they can get involved, or even learn how to grow their own fruit, vegetables and herbs.

**Fratton Global Garden**

Check the map on the reverse to find the garden closest to you and just pop along any time between 12-2pm on the day to find out more.
